

APPENDIX “C”

OTHER PLANNED DEVELOPMENTS

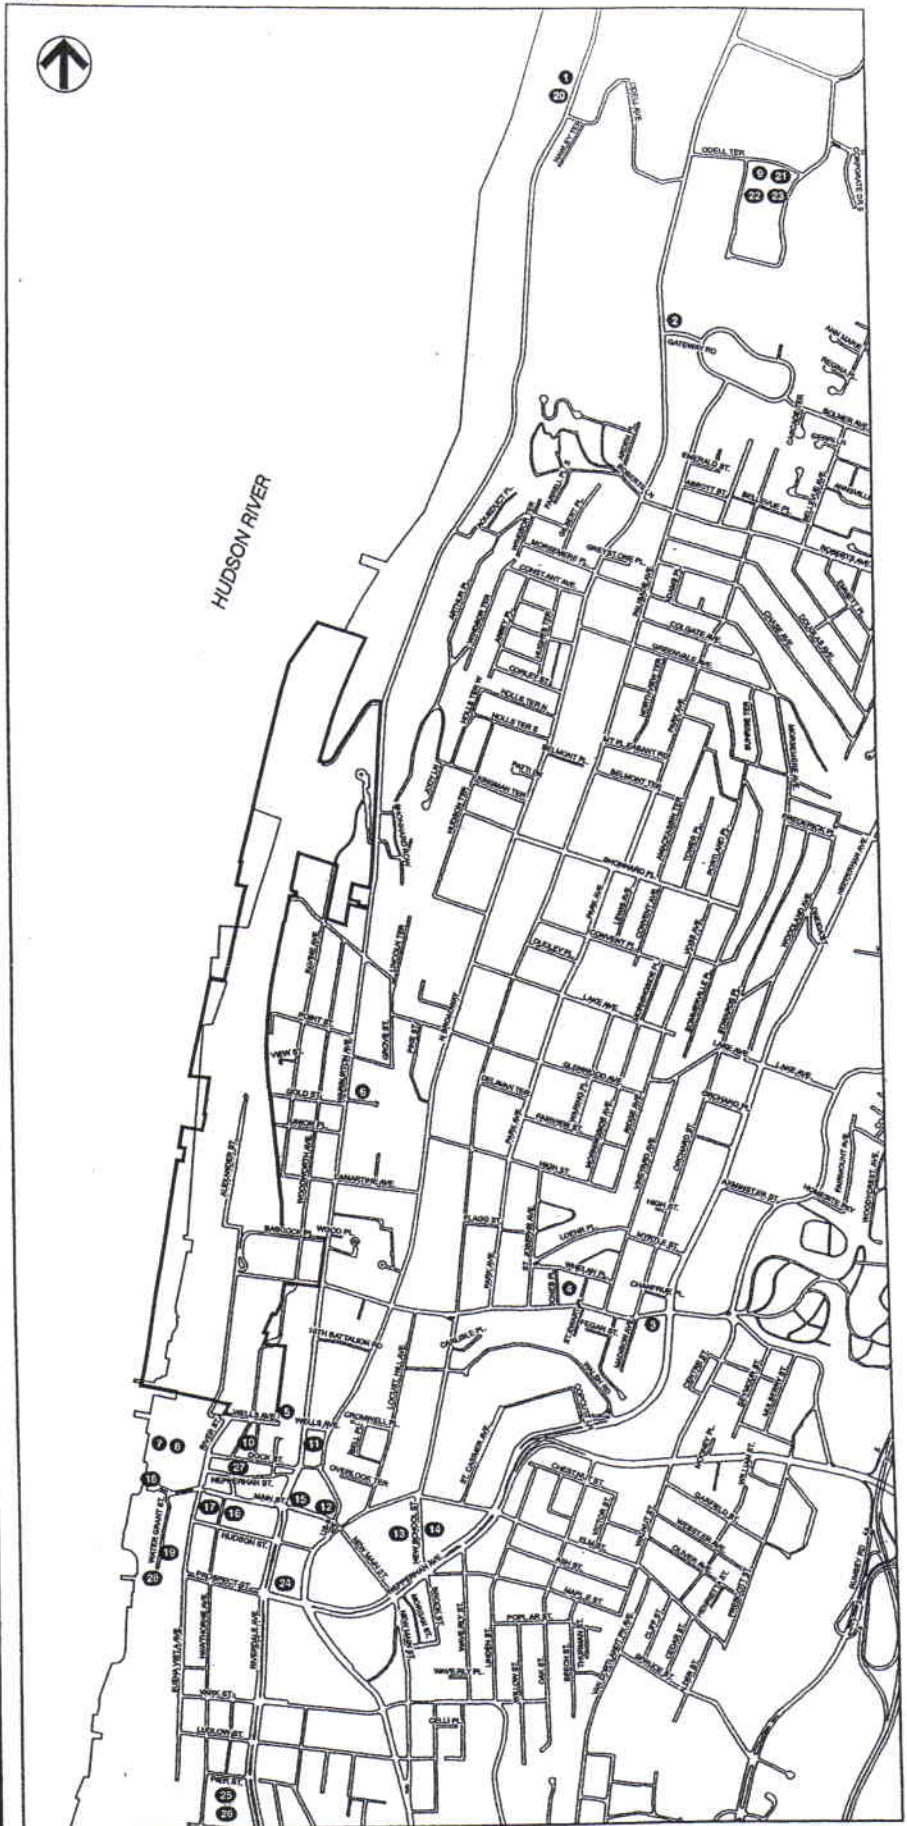

OTHER PLANNED DEVELOPMENTS

The City of Yonkers provided a list of planned developments for the area and is included in this Appendix. Based on a review of this list and discussions with the City, certain developments were included as part of the total background growth factor of 6% due to the size and/or distance from the study area.

For other projects in the area which would have a greater impact within the study area, traffic was added to the roadway network. These developments include Yonkers Green (#3), Ashburton Avenue, Redevelopment (#4), i_Park Phase 2 (#5), Collins Phase 2 (#8), Greystone (#11), Main Street Lofts (#16), Homes for America (#17) and Buena Vista Phase 1 & 2 (#19). The other development traffic volumes for these specific developments are show on Figures No. 8A through 8F for the Weekday Peak AM Highway Hour, Figures No. 9A through 9F for the Weekday Peak PM Highway Hour and on Figures No. 10A through 10F for the Saturday Peak Hour.
